SYNOPSIS

A STORY OF FRAGILITY AND VITAL STRENGTH. THREE CHARACTERS, WITH NOTHING, ARE THROWN TO LIVE ON THE STREET: THEY HAVE AN EMPTY STOMACH AND A LITTLE HOPE THAT HELPS THEM FACE ADVERSITY. THEY ARE CIRCUS CLOWNS WHO, AFTER FALLING FROM GRACE, LIVE IN ORDER TO SURVIVE. THROUGH MISHAPS AND HUMOUR THEY FIGHT FOR THEIR DIGNITY AND TO FEEL PART OF A CORNER OF THE WORLD.

Objects found among the rubbish come to life in the hands of three clowns who build moments of magic and tenderness.

The clowns fight to be seen, to be heard, to feel safe. Because, in the end, all people, whatever their situation or origin, seek dignity and meaning in their lives.

Clown show for all audiences.
